

# Year 1 Curriculum Newsletter

## Autumn 2

### PSHE

We are learning about how to work with each other and show good manners. We will look at good and bad relationships and will explore why we are all unique.

### Phonics

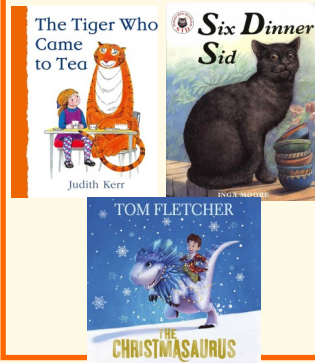

We will be learning the ea, er, e, ow and oo sounds.  
We will be writing and reading the new words.

### Music

We are learning about a Reggae and a Hip Hop style songs. We will be singing (and rapping)!  
Also, we will sing lots of Christmas songs!

### Reading

We are reading...

### D and T

We will be making a moving picture.  
We will explore different mechanisms such as sliding, levers and wheels.  
We will design, make and evaluate our pictures.

### Maths

We are learning about addition and subtraction within 10, shape and place value within 20.

### Writing

We will be writing retellings of our key texts and we will be innovating to create our own stories.

### Computing

We are learning about how to make pictograms. In our Lego Builders unit, we will explore how to give and follow instructions.

### PE

We will be moving to music and familiar stories. Outside, we will be running at different speeds and changing direction.

### History

We are learning about what Sandy used to be like. We will be interviewing an ex-mayor and finding out about the history of the fire station, town hall and train station.

### Geography

We are continuing to compare St Lucia and Sandy. We will be focusing on schools, homes and weather.

### RE

We are continuing to learn about Christianity. We will be looking at different celebrations and the meaning of key events in the lead up to Christmas.

### Science

We are learning about the weather and will explore different types of extreme weather. We will look at appropriate clothing for different weather.
