

# Year 1 Curriculum Newsletter

## Summer 1

### PSHE

We are learning about the importance of personal hygiene and why exercise is important. We will look at how to eat healthily and ways to look after our mental health.

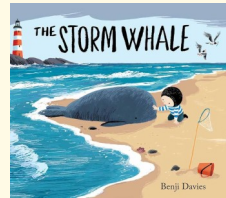

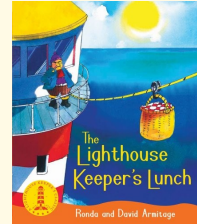

### Phonics

We will be learning lots of different sounds and spellings, including: air, eer, wh and s. We will continue to practise for our phonics screen in June.

### Music

We will be learning how to sing a song called 'Your Imagination'. We will be challenging ourselves to sing in two parts. We will play the glockenspiels and will move our bodies to the music.

### Reading

### D and T

We will be designing and making our own sandwiches. We will learn how to use tools safely, we will explore our likes and dislikes and we will evaluate our finished sandwiches. We will consider the importance of hygiene in the kitchen. Maybe we could make one at home too!

### Maths

We are learning how to count in 2s, 5s and 10s. We will be making arrays, doubling numbers and will divide by sharing and grouping. We will be finding halves and quarters of shapes and numbers.

### Writing

We will be innovating both of our stories. We will focus on using our spelling knowledge, using capital letters and full stops and adding suffixes to words.

### Computing

We are learning how to code using Purple Mash. We will be testing our resilience and will solve problems to ensure that our codes work.

### PE

We will be learning how to throw, catch and stop the ball. We will develop our core strength by learning how to perform different movements safely.

### History

We are learning about why Grace Darling was famous. We will be exploring the events of the night she saved the sailors and what her life was like in the 1800s.

### Geography

We are learning about the different countries and capital cities of the UK. We will be working as a team to present the information that we have learnt.

### RE

We are learning about Judaism. We will be exploring key features of the religion and will be listen to stories.

### Science

We are learning about animals. We will be able to name, describe and classify animals based on their features. We will be having an animal experience with Safari Stu and visiting a Zoological Museum in Cambridge.
