

## School Council Meeting – 8<sup>th</sup> November

### Who was there?

Mrs Bremner, Romes (head boy) Lainey (head girl), Darcy, Thea, Oscar, Nicola, Ellie, Willow, Skye, Francis, Evie

### What did we discuss?

We answered a range of questions on the new curriculum and discrete subjects from Mr James. See the attached feedback

The main feedback from the children was about playtime and lunchtime

- We would like a trampoline
- More balls and bats are needed as they are broken
- There should be no running on the trim trail and adults need to monitor this!
- Why can't we have a football club?
- Please can we have a slide?
- People are hogging all the equipment and it isn't fair
- We would like more playground discos
- People need to respect the quiet area, some people need quiet time and they are not getting it
- We need to share the resources more.

- It is sad when you see people on their own, we need a buddy bench
- Basketball, we have all the resources but not an adult to monitor it. We used to have Mrs Scotchford doing it, she was really good at it but she has stopped lunchtimes now. We need someone just as good!

Romes and Lainey said that they think that a relaunch of playground rules is needed and they would like to do that in assembly. Romes suggested we timetable different year groups to do things at different times.

Willow said that she would like a craft or sewing club to start – Mrs Bremner said that after she had finished choir after Christmas she would start a sewing club in the Spring term.

We discussed what to do for Children in Need day (15<sup>th</sup> November) It was decided that it would be non-school uniform day, people could wear Pudsey and Blush ears but they need to be named. We are just going to ask for a donation of what people can afford as we don't want anyone to miss out.

Everyone has their photo taken to go on the board

Romes and Lainey are going with Mrs Dunckley on Sunday to represent the school at the town remembrance service. They will lay a wreath.

### Actions

Mrs Bremner to get Romes and Lainey an assembly slot in the next couple of weeks.

Romes and Lainey to make a powerpoint to relaunch playground rules and Mrs Bremner to find out about football and basketball.

Mrs Bremner to ask the office to send a Parentmail out about Children in Need.

School councillors to talk to their classes about what they think about clubs and bring the information back to the next meeting.

Arrange a Christmas jumper sale.

Next meeting – Friday 29<sup>th</sup> November – 2.20pm in Squirrels
