

Art Progression

Using Materials		Drawing	Use colour, pattern, texture, line, form, space and shape	Range of Artists
<i>Use a range of materials creatively to design and make products.</i>		<i>Use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.</i>	<i>Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.</i>	<i>Study a range of artists, craft makers and designers.</i>
Early Years	<ul style="list-style-type: none"> use available resources to create props to support role play- magic wands, masks, dancing dragons explore what happens when you mix colours: light, dark- colour mixing butterflies understand that different media can be combined to create new effects: use natural objects to create art- Easter baskets using twigs and other materials draw a person who helps them on an iPad using an age appropriate paint program use salt dough to create Christmas tree decorations 	<ul style="list-style-type: none"> create simple representations of events, people and objects- capture experiences, draw their favourite toy, share their ideas observational paintings- real life objects: flowers, minibeasts etc. choose particular colours for a purpose ELG: Show accuracy and care when drawing and copying ELG: Draw and paint using a range of materials, tools and techniques, experimenting with colour, design, texture form and function ELG: Use a range of small tools, including scissors and paint brushes 	<ul style="list-style-type: none"> understand that they can use lines to enclose a space, and then use these shapes to represent objects select and use simple tools and techniques competently- paint brushes, printing tools experiment with different textures- chalk, paint, glue create a frog by folding card with adult support- concertina or origami 	<ul style="list-style-type: none"> study Rangoli patterns when exploring the celebration of Diwali explore the works of Kandinsky when exploring 2d shape and create own representations of his work using different media- oil pastels, paint, colouring pencils, felt-tips

	Using Materials	Drawing	Use colour, pattern, texture, line, form, space and shape	Range of Artists
Year 1	<ul style="list-style-type: none"> know how to cut, roll and coil materials know how to use IT to create a picture 	<ul style="list-style-type: none"> know how to show how people feel in paintings and drawings. know how to use pencils to create lines of different thickness in drawings. Know how to control pressure when using wax crayons, pastels and charcoal 	<ul style="list-style-type: none"> know how to create moods in art work know the names of the primary and secondary colours. know how to create a repeating pattern in print 	<ul style="list-style-type: none"> describe what can be seen and give an opinion about the work of an artist ask questions about a piece of art
Year 2	<ul style="list-style-type: none"> know how to create a printed piece of art by pressing, rolling, rubbing and stamping know how to make a clay pot and know how to join two clay finger pots together know how to use different effects within an IT paint package 	<ul style="list-style-type: none"> choose and use three different grades of pencil when drawing know how to use charcoal, pencil and pastel to create art by smudging and blending know how to use a viewfinder to focus on a specific part of an artefact before drawing it 	<ul style="list-style-type: none"> know how to mix paint to create all the secondary colours know how to create brown with paint know how to create tints with paint by adding white and know how to create tones with paint by adding black Use paint brushes to: dab, smooth, wash, sponge, stipple and stroke 	<ul style="list-style-type: none"> suggest how artists have used colour, pattern and shape know how to create a piece of art in response to the work of another artist Compare own work to well-known artists and designers

	Using Sketchbooks	Drawing, Painting and Sculpture	Study of Great Artists
	<i>Create sketch books to record their observations and use them to review and revisit ideas.</i>	<i>Improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay].</i>	<i>Great artists, architects and designers in history.</i>
Year 3	<ul style="list-style-type: none"> know how to use sketches to produce a final piece of art know how to use digital images and combine with other media know how to use IT to create art which includes their own work and that of others Use sketchbooks to help create facial expressions 	<ul style="list-style-type: none"> know how to show facial expressions in art. know how to use different grades of pencil to shade and to show different tones and textures know how to create block colour and depth through use of coloured pencils and crayons know how to create a background using a wash know how to use a range of paint and brushes to create different effects in painting 	<ul style="list-style-type: none"> know how to identify the techniques used by different artists know how to compare the work of different artists recognise when art is from different cultures recognise when art is from different historical periods
Year 4	<ul style="list-style-type: none"> know how to integrate digital images into artwork. Know how to use a sketchbook to record observations and develop ideas use sketchbooks to experiment with different texture use photographs to help create reflections 	<ul style="list-style-type: none"> know how to show facial expressions and body language in sketches and paintings know how to use marks and lines to show texture in art. know how to use line, tone, shape and colour to represent figures and forms in movement and know how to show reflections know how to print onto different materials using at least four colours. know how to sculpt clay and other mouldable materials. 	<ul style="list-style-type: none"> experiment with the styles used by other artists. explain some of the features of art from historical periods. know how different artists developed their specific techniques and create artwork in the style of these artists

	Using Sketchbooks	Drawing, Painting and Sculpture	Study of Great Artists
	<i>Create sketch books to record their observations and use them to review and revisit ideas.</i>	<i>Improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay].</i>	<i>Great artists, architects and designers in history.</i>
Year 5	<ul style="list-style-type: none"> experiment by using marks and lines to produce texture experiment with shading to create mood and feeling experiment with media to create emotion in art know how to use images created, scanned and found; altering them where necessary to create art know how to control the perception of distance with pencil 	<ul style="list-style-type: none"> know how to use shading to create mood and feeling know how to organise line, tone, shape and colour to represent figures and forms in movement. know how to express emotion in art know how to create an accurate print design following given criteria. Know how to make a sculpture using a variety of joining methods Know how to use pens to record minute details Know how to create effects with paint and brushwork 	<ul style="list-style-type: none"> research the work of an artist and use their work to replicate a style Use stylistic features of well know architects
Year 6	<ul style="list-style-type: none"> explain why different tools have been used to create art explain why chosen specific techniques have been used know how to use feedback to make amendments and improvement to art know how to use a range of e-resources to create art 	<ul style="list-style-type: none"> know how to overprint to create different patterns know how to layer paint to add details to background colours know which media to use to create maximum impact use a full range of pencils, charcoal or pastels when creating a piece of observational art know how to add detail to a sculpture 	<ul style="list-style-type: none"> explain the style of art used and how it has been influenced by a famous artist understand what a specific artist is trying to achieve in any given situation understand why art can be very abstract and what message the artist is trying to convey
