

Year 5 Long Term Intent

Autumn 1

Key Texts	Street Child															
Genres	Setting description, narrative and persuasive argument															
Trips/Visits/Visitors/Experiences	Cromer															
Writing	<ul style="list-style-type: none"> Write effectively for a range of purposes and audiences, using organisational and presentation devices appropriate to genre Increase effectiveness of narrative writing by describing characters and settings Increase the effectiveness of narrative writing by integrating dialogue Use a variety of cohesive devices to build cohesion within sentences and paragraphs, including pronouns and adverbials Link ideas across paragraphs using adverbials of time, place and number Use tenses consistently and correctly to link ideas Use expanded noun phrases to convey complicated information concisely Use relative clauses beginning with who, which, where, when, whose, that or an omitted relative pronoun Use adverbs to indicate degrees of possibility Use a range of conjunctions and adverbials to link, compare and contract and extend ideas, information and events Use adverbials to build cohesion across sentences and paragraphs Maintain tense consistently where shifts in tense may occur Apply knowledge of nouns when differentiating between homophones Select appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning 															
Reading	<ul style="list-style-type: none"> Use a range of strategies to identify the meaning of new vocabulary Summarise ideas across paragraphs, identifying key details that support the main ideas Retrieve information, referring to more than one place in the text Identify whether changes in characters met or challenged the reader's expectations Provide evidence of characters changing during a story and discusses possible reasons where reasons are not obviously stated in the text Comment on how a character is built and presented, referring to dialogue, action and description Identifies how an author varies pace by using direct or reported speech at different points in a story Refines questions to deepen understanding of a text e.g. can generate a further question based on an initial question that takes the groups thinking further Identifies precision in the use of technical terminology and considers the different reasons as to why an author might use this 															
Spelling	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 25%;">Unit 1</td> <td>Words with silent letter b</td> </tr> <tr> <td>Special focus 1</td> <td>Words that contain the letter-string -ough</td> </tr> <tr> <td>Unit 2</td> <td>Words ending in -ible</td> </tr> <tr> <td>Special focus 2</td> <td>Homophones</td> </tr> <tr> <td>Unit 3</td> <td>Words ending in -able</td> </tr> <tr> <td> </td> <td> </td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	Unit 1	Words with silent letter b	Special focus 1	Words that contain the letter-string -ough	Unit 2	Words ending in -ible	Special focus 2	Homophones	Unit 3	Words ending in -able					
Unit 1	Words with silent letter b															
Special focus 1	Words that contain the letter-string -ough															
Unit 2	Words ending in -ible															
Special focus 2	Homophones															
Unit 3	Words ending in -able															
Handwriting	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%;">Unit 1: practising joining to and from the letter r</td> </tr> <tr> <td>Unit 2: ensuring letters are consistent in height and size</td> </tr> <tr> <td>Unit 3: developing fluency</td> </tr> <tr> <td> </td> </tr> <tr> <td> </td> </tr> <tr> <td> </td> </tr> </table>	Unit 1: practising joining to and from the letter r	Unit 2: ensuring letters are consistent in height and size	Unit 3: developing fluency												
Unit 1: practising joining to and from the letter r																
Unit 2: ensuring letters are consistent in height and size																
Unit 3: developing fluency																
Maths	<ul style="list-style-type: none"> Count forwards or backwards in steps of powers of 10 for any given number up to 1 000 000 Count forwards and backwards with positive and negative whole numbers, including through zero Read, write, order and compare numbers to at least 1 000 000 and determine the value of each digit Read Roman numerals to 1000 (M) and recognise years written in Roman numerals 															

	<ul style="list-style-type: none"> • Interpret negative numbers in context • Round any number up to 1 000 000 to the nearest 10, 100, 1000, 10 000 and 100 000 • Solve number problems and practical problems that involve all of the above • Use rounding to check answers to calculations and determine, in the context of a problem, levels of accuracy • Add and subtract whole numbers with more than four digits, including formal written methods (columnar addition and subtraction) • Add and subtract numbers mentally with increasingly large numbers • Solve addition and subtraction multi-step problems in contexts, deciding which operations and methods and to use and why • Complete, read and interpret information in tables, including timetables • Solve comparison, sum and difference problems using information presented in a line graph • Identify multiples and factors, including finding all factor pairs of a number and common factors of two numbers • Know and use the vocabulary of prime numbers • Establish whether a number up to 100 is prime and recall numbers up to 19 • Recognise and use square and cube numbers • Multiply and divide whole numbers and those involving decimals by 10, 100 and 1000 • Solve problems involving multiplication and division including using their knowledge of factors, multiples, squares and cubes • Solve problems involving multiplication and division, including scaling by simple fractions and problems involving simple rates • Solve problems involving addition and subtraction, multiplications and division and a combination of these, including the meaning of equals sign
<p style="text-align: center;">Science Living things and their habitats</p>	<ul style="list-style-type: none"> • Know the differences between the life cycles of: a mammal, a bird, an insect, an amphibian • Know the process of reproduction in plants • Know the differences between different life cycles • Know the process of reproductions in animals <p>Working Scientifically</p> <ul style="list-style-type: none"> • Record data and present them in a range of ways including diagrams, labels, classification keys, tables, scatter graphs and bar and line graphs.
<p style="text-align: center;">History</p>	<ul style="list-style-type: none"> • Know how Britain changed between the end of the Roman occupation and 1066 • Know about how the Anglo-Saxons attempted to bring about law and order into the country • Know about life in Anglo-Saxon Britain and if life was better during Anglo-Saxon or Roman times • Know why the Anglo-Saxons moved away from their home land • Know what challenges the Anglo-Saxons had when they settled in Britain • Know the importance of religion to the Anglo-Saxons • Know that during the Anglo-Saxon period Britain was divided into many kingdoms • Know that the way the kingdoms were divided led to the creation of some of our county boundaries today • Suggest reasons for conflicting historical accounts <p>Historical Skills</p> <ul style="list-style-type: none"> • Analyse sources of information for accuracy, usefulness and relevance • Make links between events and changes, giving reasons for them and explaining the result • Discuss the impact and causes of historical changes in Britain • Choose appropriate sources to answer questions • Identify and describe changes within and between different periods in history • Use and understand abstract terms such as: Empire, civilisation, parliament and peasantry • Place events, people and changes into correct periods of time and in chronological order • Create historically valid questions about cause and significance
<p style="text-align: center;">Geography</p>	<ul style="list-style-type: none"> • know and locate the main seas surrounding the UK • know and locate places with beaches in the UK

	<ul style="list-style-type: none"> Analyse information from a range of sources and make conclusions Know how the geography of the UK has changed over time Know the impact of erosion has on coastal regions of the UK Use a range of sources to compare places studied Know how to plan a journey within the UK, using a road map Read the scale on contour lines on an OS map
<p>Religious Education</p>	
<p>Physical Education</p>	<p>Circuit Fitness (Bootcamp)</p> <ul style="list-style-type: none"> Create circuits, using exercises that will include all major muscles Learn the names for certain muscles (quadriceps, biceps, triceps, abdominals, deltoids, pectorals, gluteus maximus, hamstrings) Pick up on something a partner does well and also on something that can be improved Know why own performance was better or not as good as their last Understand how to stay healthy and list the benefits of leading a healthy lifestyle <p>Dance (Dynamic Dance)</p> <ul style="list-style-type: none"> Compose own dances in a creative way Perform dance to an accompaniment Dance shows clarity, fluency, accuracy and consistency Choose own dance steps and movements and develop them into a routine Improve timing and stepping to the beat Count moves and perform in repetitions of eight, four, two and singles
<p>Computing</p> <p>Online Safety and Coding</p>	<p>Coding Unit 5.1</p> <ul style="list-style-type: none"> To review existing coding knowledge. To begin to be able to simplify code. To create a playable game. To understand what a simulation is. To program a simulation using 2Code To know what decomposition and abstraction are in Computer Science. To take a real-life situation, decompose it and think about the level of abstraction. To use decomposition to make a plan of a real-life situation. To understand how to use friction in code. To begin to understand what a function is and how functions work in code. To understand what the different variable types are and how they are used differently. To understand how to create a string. <p>Online Safety</p> <ul style="list-style-type: none"> To gain a greater understanding of the impact that sharing digital content can have. To review sources of support when using technology. To review children' responsibility to one another in their online behaviour. To know how to maintain secure passwords To understand the advantages, disadvantages, permissions, and purposes of altering an image digitally and the reasons for this. To be aware of appropriate and inappropriate text, photographs and videos and the impact of sharing these online. To learn about how to reference sources in their work. To search the Internet with a consideration for the reliability of the results of sources to check validity and understand the impact of incorrect information Ensuring reliability through using different methods of communication

<p style="text-align: center;">DT Design and make kites</p>	<ul style="list-style-type: none"> • Come up with a range of ideas after collecting information from different sources to design a kite • Produce a detailed, step-by-step plan to create a kite • Explain how a product will appeal to a specific audience • Suggest alternative plans; outlining the positive features and draw backs • Evaluate appearance and function against original criteria • Use applique to decorate by gluing and stitching • Cut and measure doweling, strip wood and square sections accurately • Build frameworks using a range of materials
<p style="text-align: center;">Music</p>	<ul style="list-style-type: none"> • To know five songs from memory, who sang or wrote them, when they were written and, if possible, why? • To know the style of the five songs and to name other songs from the Units in those styles. • To choose two or three other songs and be able to talk about: • Some of the style indicators of the songs (musical characteristics that give the songs their style) • The lyrics: what the songs are about • Any musical dimensions featured in the songs and where they are used (texture, dynamics, tempo, rhythm and pitch) • Identify the main sections of the songs (intro, verse, chorus etc.) • Name some of the instruments they heard in the songs • The historical context of the songs. What else was going on at this time? • To identify and move to the pulse with ease. • To think about the message of songs. • To compare two songs in the same style, talking about what stands out musically in each of them, their similarities and differences. • Listen carefully and respectfully to other people’s thoughts about the music. • When you talk try to use musical words. • To talk about the musical dimensions working together in the Unit songs. • Talk about the music and how it makes you feel.
<p style="text-align: center;">Personal, Social, Health Education Relationships</p>	<ul style="list-style-type: none"> • How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice. • Understand that healthy friendships make people feel included; recognise when others may feel lonely or excluded; strategies for how to include them • Develop strategies for recognising and managing peer influence and a desire for peer approval in friendships; to recognise the effect of online actions on others. • Understand how friendships can change over time, about making new friends and the benefits of having different types of friends. • Know that friendships have ups and downs; develop strategies to resolve disputes and reconcile differences positively and safely. • To recognise if a friendship (online or offline) is making them feel unsafe or uncomfortable; how to manage this and ask for support if necessary • Develop strategies to respond to hurtful behaviour experienced or witnessed, offline and online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support • Know about discrimination: what it means and how to challenge it.
<p style="text-align: center;">Modern Foreign Languages</p>	<ul style="list-style-type: none"> • Understand basic grammar in the context of talking about what they want to be when they grow up. • Listen to spoken language and join in by responding appropriately. • Develop accurate punctuation and intonation so that others understand what they are saying. • Describe emotions using basic sentences. • Understand basic grammar appropriate and build sentences in the context of prediction what’s going to happen. • Appreciate stories, songs, poems and rhymes in the context of a traditional tale. • Write phrases from memory in the context of writing personal presentations. • Describe people, places, things and actions in the context of describing themselves.
